Final Corrective Action Plan
June 18, 2010

Recommendation #1: Leases Receivable

We recommend that ORS and the Bureau of Investments (BOI) work together to properly account for and report interest and dividends.

We also recommend that ORS and BOI modify their methodology for recording the fair market value of real estate and alternative investment holdings as of the fiscal year-end.

Agency Response:

DMB Financial Services accounting staff met on March 25, 2010, to discuss necessary financial statement changes. DMB Financial Services has also been in contact with BOI on the finding and a meeting is scheduled for May 12, 2010, to ensure proper classification in the financial statements.

DMB Financial Services has been in contact with BOI and a meeting is scheduled on May 12, 2010, to discuss changes to the current BOI methodology. We anticipate that an updated methodology will be drafted by June 30, 2010, and will be in place for 2010 year-end close.
