REPORT SUMMARY

Financial Audit

Including the Provisions of the Single Audit Act

Report Number:
551-0100-12

Michigan Department of State Police

October 1, 2009 through September 30, 2011

Released:
June 2012

A single audit is designed to meet the needs of all financial report users, including an entity's federal grantor agencies. The audit determines if the financial schedules and/or financial statements are fairly presented; considers internal control over financial reporting and internal control over federal program compliance; determines compliance with requirements material to the financial schedules and/or financial statements; and assesses compliance with direct and material requirements of the major federal programs.

Financial Schedules:

Auditor's Report Issued

We issued an unqualified opinion on the Michigan Department of State Police's (MSP's) financial schedules.

Internal Control Over Financial Reporting

We did not report any findings related to internal control over financial reporting.

**Noncompliance and Other Matters
Material to the Financial Schedules**

We did not identify any instances of noncompliance or other matters applicable to the financial schedules that are required to be reported under *Government Auditing Standards*.

Federal Awards:

Auditor's Reports Issued on Compliance

We audited 8 programs (including 2 ARRA related programs) as major programs. MSP expended and distributed \$212.9 million in federal awards, including \$37.5 million in ARRA funding, during the two-year period

ended September 30, 2011. We issued 8 unqualified opinions. The opinions issued by major program are identified on the back of this summary.

Internal Control Over Major Programs

We did not identify any deficiencies in internal control over federal program compliance that we consider to be material weaknesses. However, we did identify significant deficiencies (Findings 1 through 5).

~ ~ ~ ~ ~

Required Reporting of Noncompliance

We identified instances of noncompliance that are required to be reported in accordance with U.S. Office of Management and Budget (OMB) Circular A-133 (Findings 1 through 5).

Internal Accounting and Administrative Control System:

Section 18.1489 of the *Michigan Compiled Laws* requires the Auditor General to evaluate the implementation of Sections

18.1483 - 18.1488 of the *Michigan Compiled Laws* and report to the Legislature in the financial audit of each department. As a result of Executive Reorganization Order No. 2007-31 (Consolidating Internal Audit Functions), in which responsibility for most of the sections was moved to the Office of Internal Audit Services, State Budget Office, we have evaluated the implementation of only Section 18.1485 in this financial audit. Section 18.1485 requires each department director to establish an internal accounting and administrative control system, defines the elements of that system, defines the duties of the department director, and

provides for certain reports. We determined that MSP was in substantial compliance with Section 18.1485 of the *Michigan Compiled Laws*.

The remaining sections (Sections 18.1483, 18.1484, and 18.1486 - 18.1488 of the *Michigan Compiled Laws*) will be evaluated and reported on in the performance audit of the Office of Internal Audit Services, State Budget Office.
