Background:

MJTF is a restricted subfund within the State of Michigan's General Fund that receives a percentage of court fines, fees, and assessments collected by the

courts as outlined in Section 600.181 of the *Michigan Compiled Laws*. The Michigan Commission on Law Enforcement Standards and the Michigan Department of State Police are responsible for the legally required distribution of the funds from MJTF.

Act 302, P.A. 1982, as amended, requires 60% of the funds to be distributed to law enforcement agencies for in-service criminal justice training of their law enforcement officers on a per capita basis.

Act 302 also requires the distribution of 40% of the funds, less administrative costs, on a competitive grant basis to State and local agencies providing in-service criminal training programs for criminal justice training entities. The competitive grant distribution is made based on a review of submitted applications.
