

OAG Performance Audit – Michigan Virtual University
Audit #313-0223-17

Finding #	Finding Title	OAG Recommendation	Agency Response	Update
1	FBI fingerprint criminal history checks for MVS educators needed.	We recommend that MVU implement the FBI fingerprint criminal history checks as authorized under the National Child Protection Act and State law.	MVU agrees with the recommendation and is pleased to report that it is now a registered and authorized user of the Criminal History Internet Subscription Service from MSP. This restores the same access to the FBI fingerprint and criminal history checks MVU used for MVS educators prior to July 2016.	Remediated.
2	Amendments to the Revised School Code needed.	We recommend that MVU, with assistance from MDE, seek amendments to Section 1481 of the Revised School Code to reflect the name and operational changes made to MVHS in Section 98 of the State School Aid Act.	<p>MVU, with the assistance of MDE, provided us with the following response:</p> <p>MVU agrees with the recommendation. MVU is supportive of the need to update language in the Revised School Code that accurately outlines its roles and responsibilities. With assistance from MDE, MVU will suggest amendments to the Revised School Code to reflect the name and operational changes made to MVHS. Ultimately, any updates to the Revised School Code must be approved by the Michigan Legislature.</p>	HB 6324, a bill to modify the name and operational changes made to the Michigan Virtual High School, was introduced and referred to the House Education Reform Committee on September 5, 2018.
