Flint Emergency Expenditures

State of Michigan

Report Number:
000-2018-19

Released:
January 2019

On January 5, 2016, former Governor Rick Snyder declared a state of emergency for Genesee County (referred to as the Flint declaration of emergency) due to the ongoing health and safety issues caused by elevated lead levels in the City of Flint's drinking water. The Legislature enacted numerous appropriations to address this situation, both as supplemental appropriations to and transfers within the fiscal year 2016, 2017, and 2018 budget and spending authorizations provided in the fiscal year 2017, 2018, and 2019 budgets. As of November 30, 2018, appropriations totaled \$379.9 million and 10 State departments had expended a total of \$216.5 million. Public Act 3 of 2016 requires the Office of the Auditor General to audit the use of the funds appropriated for this emergency and report at a minimum of every six months until the funds are expended. This is our sixth report on the expenditure of these funds.
