Dear Chief Molloy and Colonel Gasper:

Report on the Financial Schedule

We have audited the accompanying financial schedule of the Michigan Justice Training Fund, Michigan Commission on Law Enforcement Standards, Michigan Department of State Police, for the fiscal years ended September 30, 2020 and September 30, 2019 and the related notes to the financial schedule as listed in the table of contents.

Management's Responsibility for the Financial Schedule

Management is responsible for the preparation and fair presentation of this financial schedule in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial schedule that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on this financial schedule based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial schedule is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial schedule. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial schedule, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial schedule in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial schedule.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial schedule referred to in the first paragraph presents fairly, in all material respects, the sources and uses of the Michigan Justice Training Fund for the fiscal years ended September 30, 2020 and September 30, 2019 in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note 1, the financial schedule presents only the sources and uses of the Michigan Justice Training Fund. Accordingly, this schedule does not purport to, and does not, present a complete financial presentation of either the Michigan Commission on Law Enforcement Standards or the State's General Fund as of September 30, 2020 and September 30, 2019 in conformity with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Other Information

Our audit was conducted for the purpose of forming an opinion on the Michigan Justice Training Fund financial schedule. The accompanying five-year compilation of law enforcement distributions for calendar years 2016 through 2020, as identified in the table of contents, is presented for purposes of additional analysis and is not a required part of the Michigan Justice Training Fund financial schedule. The information was compiled by us from information published by the Michigan Commission on Law Enforcement Standards. The information has not been subjected to the auditing procedures applied in the audit of the financial schedule, and accordingly, we do not express an opinion or provide any assurance on it.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated July 28, 2021 on our consideration of the Michigan Commission on Law Enforcement Standards' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Michigan Commission on Law Enforcement Standards' internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Michigan Commission on Law Enforcement Standards' internal control over financial reporting and compliance.

Sincerely,

Doug Ringler
Auditor General

NOTES TO THE FINANCIAL SCHEDULE

Note 1

Significant Accounting Policies

a. Reporting Entity

The accompanying financial schedule reports the sources and uses of Michigan Justice Training Fund (MJTF), Michigan Commission on Law Enforcement Standards (MCOLES), Michigan Department of State Police (MSP), for the fiscal years ended September 30, 2020 and September 30, 2019. The financial transactions of MJTF are accounted for in the State's General Fund as a restricted subfund and are reported on in the *State of Michigan Comprehensive Annual Financial Report (Annual Report)*.

These notes relate directly to the financial schedule. The *Annual Report* provides more extensive disclosures regarding the State's significant accounting policies; budgeting, budgetary control, and legal compliance; pension benefits; and other postemployment benefits.

b. Measurement Focus, Basis of Accounting, and Presentation

The financial schedule contained in this report is presented using the current financial resources measurement focus and the modified accrual basis of accounting, as provided by accounting principles generally accepted in the United States of America. Under the modified accrual basis of accounting, revenues are recognized as they become susceptible to accrual, generally when they are both measurable and available. Revenues are considered to be available when they are collected within the current period or soon enough thereafter to pay liabilities of the current period. Expenditures generally are recorded when a liability is incurred.

The financial schedule presents only the sources and uses for MJTF's accounts. Accordingly, the financial schedule does not purport to, and does not, constitute a complete financial presentation of either MCOLES or the State's General Fund in conformity with accounting principles generally accepted in the United State of America.

Note 2

Court Fines, Fees, and Assessments

MJTF receives a percentage distribution from the Justice System Fund, based on fines, fees, and assessments collected by the Michigan courts, as outlined in Section 600.181 of the *Michigan Compiled Laws*. These revenues are authorized for expenditure up to the amount appropriated.

Note 3Expenditures

Section 18.423 of the *Michigan Compiled Laws* provides for the distribution of MJTF. Semiannually, MCOLES distributes on a per capita basis 60% of MJTF revenues, plus amounts returned from prior year distributions, to law enforcement agencies for in-service criminal justice training of their law enforcement officers. Also, annually, MCOLES calculates competitive grant awards for the remaining MJTF revenues, less administrative costs, plus amounts recovered from disallowed prior year competitive grant award expenditures and relinquished prior year competitive grant award obligations. MCOLES distributes competitive grant awards on a reimbursement basis to State and local agencies providing in-service criminal justice training programs for employees of criminal justice entities. Due to the lack of revenue, competitive grant awards were not made for fiscal years 2020 and 2019.

In prior years, the MJTF was used to finance MCOLES administrative costs. Section 603(1)(h), Public Act 281 of 2016 allocated a portion of the medical marijuana regulatory fees to MCOLES late in fiscal year 2019 and early in fiscal year 2020. This has provided MCOLES another revenue source to finance MCOLES administrative costs and has provided MCOLES with the opportunity to start issuing competitive grants again (see Note 5, Subsequent Event). MCOLES charged administrative costs of \$1,664,161 and \$1,525,718 to the medical marijuana regulatory fees in fiscal year 2020 and fiscal year 2019, respectively.

Note 4Balances Carried Forward: Restricted Revenues - Not Authorized or Used

These are unspent MJTF revenues that, by statute, are restricted to MJTF programs. These balances are subject to legislative appropriation before they can be expended in future years. The components of the carry-forward include unobligated current year revenue, undistributed competitive grant award obligations, amounts recovered from disallowed prior year competitive grant award expenditures, and relinquished prior year competitive grant award obligations.

Note 5Subsequent Event

On September 9, 2020, MCOLES approved the award of eight competitive grants of MJTF revenue totaling \$937,078 for law enforcement training in calendar year 2021.

Independent Auditor's Report on Internal Control Over
Financial Reporting and on Compliance and Other Matters

Chief David Molloy, Chair
Michigan Commission on Law Enforcement Standards
927 Centennial Way
Lansing, Michigan
and
Colonel Joseph Gasper, Director
Michigan Department of State Police
7150 Harris Drive
Dimondale, Michigan

Dear Chief Molloy and Colonel Gasper:

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial schedule of the Michigan Justice Training Fund, Michigan Commission on Law Enforcement Standards, Michigan Department of State Police, for the fiscal year ended September 30, 2020 and the related notes to the financial schedule and have issued our report thereon dated July 28, 2021.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial schedule, we considered the Michigan Commission on Law Enforcement Standards' internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial schedule, but not for the purpose of expressing an opinion on the effectiveness of the Michigan Commission on Law Enforcement Standards' internal control. Accordingly, we do not express an opinion on the effectiveness of the Michigan Commission on Law Enforcement Standards' internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial schedule will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Michigan Justice Training Fund financial schedule is free from material misstatement, we performed tests of the Michigan Commission on Law Enforcement Standards' compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial schedule. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Sincerely,

Doug Ringler
Auditor General
