Michigan Department of Technology, Management and Budget's  
preliminary agency response to the Report on internal control over financial  
reporting of Michigan State Employees Retirement System (071-0165-21)

Summary of Agency Responses to Recommendations

1. Audit recommendations DTMB fully complied with: 1
2. Audit recommendations DTMB agrees with and will comply: N/A
3. Audit recommendations DTMB disagrees with: N/A

Audit finding #1 – Improvement in internal control needed to ensure proper allocation of net pension and OPEB liabilities.

The Department agrees with the recommendation and has complied as of September 30, 2021. DTMB Financial Services, with assistance from the State Budget Office's Office of Financial Management, has updated and enhanced the guidelines and instructions to further educate agency personnel regarding summary level payroll adjustments. Furthermore, DTMB Financial Services will continue to expand its efforts to establish more effective controls to mitigate errors during the compilation of employer wage and contribution information. DTMB Financial Services has updated the process to identify any new pay codes that have been created before compiling the wages and contributions by employers for reporting at the end of the fiscal year.
