Office of the Auditor General (State of Michigan)

● Auditor 9 Position ●

OAG Mission:

To improve the accountability of public funds and to improve State government operations for the benefit of Michigan's citizens.

What are we looking for?

Top-notch bachelor's or master's degree graduates with at least 24 semester (36 term) hours in accounting preferred. Alternate education and experience also considered for candidates with at least 24 semester (36 term) hours in one or a combination of the following: finance, economics, information systems, business analytics, data analytics, statistics, quantitative methods, data science, or management. We are looking for candidates who:

- Possess the ability to analyze and synthesize information and reach logical, sound conclusions.
- Have a desire to work in a team setting.
- Understand we operate similarly to public accounting firms and are interested in working in a government setting performing both financial and performance audits.
- Are looking for the work/life balance which our Office affords them.
- Communicate clearly, both orally and in writing, with agency staff, members of the Legislature, and all levels of OAG management and staff.
- Have an interest in becoming a licensed certified public accountant (CPA) and/or pursuing other professional certifications.

See the following for applicable job descriptions.

What we offer.

Entry level pay starts at $64,331/year. With satisfactory performance, the salary increases to approximately $90,000/year over the first 4 years. Additional prior auditing experience may allow for qualification for hire in the Assistant Auditor General (AAG) classification. (See the following potential AAG rates.)

We offer an attractive benefits package and other assistance to help you obtain your CPA and other applicable certificates. We also offer a full range of continuing professional education opportunities designed to improve and maintain your knowledge and skills.
